SUMMARY

Aspiring Frontend Developer skilled in creating responsive and efficient web applications using HTML, CSS, JavaScript, and React. Experienced in building clean, functional interfaces and optimizing performance for smooth user experiences. Enthusiastic about learning new technologies and delivering reliable web solutions.

EDUCATION

2022 - 2025 Bachelors of Computer Application (BCA) from **Sharnbasva University**,

CGPA: 8.63

2020 - 2022 Sarvajna PU College of Science

EXPERIENCE

Trainee at Internshala Gained hands-on experience in building responsive and interactive user interfaces using HTML, CSS, JavaScript, and React. Collaborated with backend teams to integrate APIs and ensure seamless functionality.

PROJECTS

- **AI-Travel-Planner:** Developed an AI-powered web application to assist users in planning travel itineraries with smart recommendations. Implemented machine learning models for data-driven predictions and personalization. Built an interactive interface using Stream for seamless user experience.
- **College Web:** “Our College Fee Portal allows students to easily view and manage their fee details online. Students can securely log in to check fee structures, payment history, pending dues, and upcoming deadlines—all in one place. This system ensures transparency, convenience, and quick access to important financial information.”
- **Digital Portfolio:** Designed and developed a personal portfolio website using HTML, CSS, and JavaScript to showcase academic projects, technical skills, and experiences in a visually structured format.

SKILLS

Programming: HTML, CSS, Java, SQL

Tools: Excel, Powerpoint, Vs code

Soft Skills: Teamwork, Communication, Leadership, Problem Solving

Languages: English, Kannada, Hindi

CERTIFICATIONS:

- **Internshala :** Certification on Web Devolpment.
- **JoshTalk :** Earned certification showcasing communication and professional development skills Recognized for proficiency in career-oriented learning and growth.
- **HCLGUVI:** Successfully Certified in Generative AI with specialization in AI/ML concepts, model building, and real-world applications.
